

Apalachicola Waterfront July 3rd Celebration

The Apalachicola July 3rd Waterfront Celebration is the highlight of summer in Apalachicola—an event that brings energy to our local businesses and creates lasting memories for our entire community. As we enter our fourth year hosting it, we invite you to take an active role in making it bigger, stronger, and more impactful than ever.

Planning is already underway for an exceptional celebration on **Friday, July 3rd, 2026**. With your support, we can elevate this event to new heights. Every dollar raised is reinvested directly into the celebration, enhancing its quality, expanding its reach, and increasing its benefit to our community.

Festivities begin at 5:00 PM at Riverfront Park, featuring live music, family-friendly activities, and a variety of outstanding local food vendors—many of them not-for-profit organizations supporting meaningful causes. The evening builds to a breathtaking fireworks display over the river, drawing thousands to our waterfront each year.

This event depends on one critical goal: raising \$30,000 for the fireworks show alone. This is the event's single largest expense—and the moment that defines the entire celebration. Without the support of sponsors like you, this signature experience simply would not be possible.

Your sponsorship is more than a donation—it's a visible investment in our community and a powerful opportunity to showcase your business to a large and engaged audience. The Apalachicola Bay Chamber of Commerce cannot do this without the support of dedicated partners like you.
